*Touching Lives with the Love and Saving Grace of Jesus.*

November 2017

***Ephesians 4:11-13 So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, to equip his people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.***

The apostle Paul helps us to understand that God's purpose for establishing the public ministry **"that the body of Christ may be built up."** This is the wonderful joy of the Christian life – by the grace and work of the Holy Spirit – we are to continue to mature in our faith.

**Connect, Grow and Serve** – These are three words that you will be seeing more of at Peace Lutheran Church. The words identify three different ways we continue to mature in our faith. The following is an introduction to the words and hopefully a better understanding.

**Connect** - On your cell phone, go to Contacts and count through all the people you could call at any given time. Now check your Facebook page (then come back to the article!). How many friends do you have there with whom you could connect at any given time?

We live in a time when connectedness is everywhere we look. People can call, text, tweet, Instagram, Facebook, Link, or Snapchat their way into communication with a tremendous number of people, including celebrities! But how many of those ways create authentic connections and relationships with whom you are communicating? How many of those **connect** you with God? The answer to both is: not many. Connections are a funny thing. Think about with whom you have the strongest connection. How long and how often do you spend time with that person? Very likely you spend a significant amount of time with that person. The same is said about God. The more time you spend with Him, the better your connection will be! The main way we **connect** with God is in Worship (He promises to meet us every week!).

**Grow** –The better connection you have with God, the more you will grow. Growing is a difficult thing. The people of the Bible had the same struggles with their connections and their growth as we do. Paul wrote to Ephesus to remind them that when their connections fail, they quit growing; and when they quit growing, they start falling away from God. Just like those people of Ephesus, we have things which get in the way of connecting and growing in Christ. Whether it's work, sports, sleep, or lack of relationships at church, they can keep us from growing.

Some good ways to be intentional about our **growth**: 1) praying throughout the day to thank God for His provision or to ask for help with something; 2) reading from scripture on a daily basis and hearing directly from God what He has to tell us each day; 3) connecting and being encouraged by other Christians to keep us accountable in our growth; and 4) remembering that growth is a process.

It won't happen overnight; even as we are growing, things are still going to be tough sometimes. When we start to grow, we start to learn to recognize our different skills and abilities which we can use those to serve as the church. One of the great ways to **Grow** at Peace Lutheran is through Small Group Bible Studies. For the past several years Peace Lutheran has had a Fall Small Group series to encourage our membership to be a part of **growing** in their faith. This Fall our series is "Follow" by Andy Stanley. Please consider joining a small group (10-15 people) that studies God's word, **grows** in faith and community. *(-continued on page 2)*

*(Connect, Grow and Serve-continued from page 1)*

**Serve** - There is no one correct way to serve as the church. We are inspired to help and serve others in our community, state, and world in many different ways because we are all gifted differently. It can be pulling weeds or building orphanages, teaching Sunday School or leading a trip to Israel, cooking a meal for someone, to serving meals at a homeless shelter, all of which we are called to do depending on our skills.

Peace Lutheran has identified and now is highlighting the various ways we can **serve** at Peace Lutheran and outside its walls in our community and to the ends of the world. This project is called "Ministry in Motion". You will have an opportunity to preview this effort on Sunday, November 19, 2017. We will be using "Ministry in Motion" as our theme for the day and how these various ministries allow us to **serve** in the kingdom of God – more importantly how God is growing His kingdom through the efforts and talents of His children here at Peace Lutheran.

Watch for more on "Ministry in Motion" and how Peace Lutheran will continue **"that the body of Christ may be built up"** by **Connecting** with God, **Growing** with others in God's word and **Serving** within the church of Peace Lutheran as well as the world at large. -Pastor Pasche

***“And the words of the Lord are flawless.” Psalm 12:6a***

## Operation Christmas Child

Peace Lutheran Church will be participating in Operation Christmas Child again this year. This program collects shoeboxes filled with gifts and delivers them to children in need around the world. Every one of these shoebox gifts is an opportunity for the Gospel. In the hands of local churches, it is a powerful tool for evangelism, discipleship, and multiplication. Many shoebox recipients also enroll in a 12-lesson follow-up discipleship program, where they learn to follow Christ and share with others.

You can be a part of this worldwide effort to grow the Kingdom of God even in places where the Gospel has never been heard by donating toys such as a doll, soccer ball and pump, a stuffed animal, fun toys, hygiene items (no gels or liquids), school supplies or donations of \$9.00 to send a box. Most importantly, pray for the child who will receive these gifts.

Drop your items off in the green box in the commons area or in the office. Packing day at Peace will be **November 5<sup>th</sup> at the 9:15 Family Worship Service in the Peace Center.** All are welcome!!

### **Save the Date for Children's Christmas Programs**

**Sunday, December 17<sup>th</sup> at 3:00**
