Handbells - Proceeds from the Summer Recital Luncheons and Thrivent Action Grants are being used to have our handbells refurbished. Our handbells are currently at the Schulmerich factory in Pennsylvania. The first 3 octaves of bells were purchased over 40 years ago. After a factory inspection, it was recommended that all of the handles and clappers be replaced at this time. The parts are old, are cracking, and could cause damage to the bells if not replaced. If you have an interest in donating toward the cost of the handbell refurbishment, please designate your offering for "handbells." Please see Troy Puckett if you have questions. When our handbells return, they will be cleaned, polished, tuned, and all of the parts will be updated and brand new!

Prescription Pad

The first prescription for Peace is Vision, the foundation of the PLC mission effort that answers the question “God, who do You say we are?”. The steering committee reviewed all the names submitted to them for consideration to be members of the Vision Team. Pastor Pasche will be contacting the candidates. If you are called upon to serve in this capacity, please pray about how you will be able to serve to define the vision. The team will be introduced at the congregational meeting on July 28.

Please keep the committee and the candidates in your prayers as we move forward in our effort to complete the prescriptions given to us by Dr. Johnson and his team.

Also, please note the prayer printed each week in the bulletin that encourages us to pray as a congregation for Peace.

All steering committee members are available to answer questions.
