# June 2020 Messenger

"Dear Brothers, Greetings to you in the name of our Lord Jesus Christ, who is the Lord of all Lords and the King of all Kings!

As you are aware, Governor Walz has now issued new executive orders regarding communities of faith and places of worship being able to open in limited capacities. Our coalition efforts and willingness to work collaboratively with Governor Walz and his team has led to what we feel is a positive outcome, where legal action now appears no longer necessary. But before I address that, hear the Word of the Lord.

**Psalm 46:1-3: God is our refuge and strength, a very present help in trouble. Therefore, we will not fear though the earth gives way, though the mountains be moved into the heart of the sea, though its waters roar and foam, though the mountains tremble at its swelling.**

During these troubling times, it is essential to have a place of refuge and a source of strength. Our Lord gives that to us in abundance through His Word and Sacraments. The declarative nature of Psalm 46 is wonderfully comforting. God "is" our refuge and strength, says the Psalmist."

The above quote is from our Minnesota South District President, Rev. Dr. Lucas Woodford. What a time for our church? But thanks be to God that our Governor finally allowed the churches to reopen.

With that being said - it will require patience on our part – there are stipulations to worshiping together. Please read the Peace Reopening Plan and consider what is being asked of us. But most of all remember **God is our refuge and strength, a very present help in trouble.**

I look forward to our - **Loving Community that is called by God's Grace** – coming together in the house of the Lord and worshiping. Receiving His gifts of Grace, renewed in our faith and thanking Him for all that He has done for us. That we may live with His peace and share that Peace with the people around us. **(that all know the Peace of God.)**

God's Peace be with you – Pastor John Pasche

We are in the thick of VBS planning! With the many restrictions still in place, it is our tentative plan to have mini VBS camps in Phases.

**Phase 1** - VBS Camp, June 22-26, will be for Little Lambs Christian Center kids as they are here, at Peace. We will record that VBS session and have packets available for others to participate at home if they so desire.

**Phase 2** - I understand there are many of you that are a little burnt out on the virtual stuff. I get it, so in Phase 2, when the government allows, we are hoping to do small VBS camps. These may be in local parks or in backyards. We will see how things go and adjust accordingly, so please watch for updates to come. Questions? Please contact Sandy at 320-587-3031

### **Peace Lutheran Garage Sale 2020 is Cancelled!**

We are sad to announce Peace Lutherans annual garage sale is cancelled this year. This is due to the governor's orders regarding the current Covid-19 crisis. Red Cross**
