**Peace Lutheran Covid Plan UPDATE** - effective 1/11/21, for Faith-Based Communities;

All meals - including Wedding and Funeral Receptions that are held inside, will be limited to 2 households OR 10 total people.

**Envelope Boxes are available to pick up in the ramp way.** Please do not pick up another members' box, unless they have specifically asked you to. We have had a few boxes go missing this year, and this is upsetting to some individuals when they come in to get theirs, and it is not there.

**Come be a part of our "Little Family".** We would like to invite you to help beautify our Altar to the Glory of the Lord by joining the Altar Guild. It would be about one weekend a month and you would never work alone. For more information, call the Church office or Betty Ruskamp at (320)587-6087 or cell (320)583-5190. We could really use your help, so please considering joining.

**Dorcas will be assembling the layettes** to be sent to Lutheran World Relief. We meet in the basement at 1:00 on Thursday March 4. We had such a good turnout last time we hope you will join us for the work and fun again. Wear your mask and we will continue with social distancing.

Contact Phyllis H. at 587-0185 or Shirley W. at 587-5064 if you have questions or donations. Thank you.

**For those eligible** for Covid Vaccine please contact Shirley at 320-587-5064 if you need help making an online appointment at a pharmacy. Thank you.

**"Praise God from Whom all blessings flow!"**

Dorcas - Women in Mission just learned that the LWML has reached their mission goal of \$2.1 million set for the 2019-2021 biennium. This means that, by God's grace, all the mission grants will be funded!

These funds have come from the MITES given by Lutheran Women who have saved, earned, gathered, and given from their hearts to spread the Gospel and assist others who serve. Thank you for your gifts. Thank God for His continued grace.

**LSS Meals program.** We have an urgent need for Meals on Wheels volunteer drivers in the City of Hutchinson, Monday through Friday.

Details: We have two different deliver routes one usually starts at 10:40AM and lasts from 30 minutes to an hour. The other volunteer meal transporter route rides on the Trail Blazer bus 9:00am- 10:40 to bring meals to our satellite sites such as Glencoe, Brownnton, and Stewart. This could be a great experience for someone that can't drive or that doesn't want to. We offer contact-less delivery (meaning you knock and leave the meal and then walk away to see if they pick up the meal). We have gloves and masks available for volunteers.

People interested in volunteering can contact our Site Coordinator in Hutchinson, April at 320-587-6029. Please feel free to contact April or I with any questions.

**Join us each Sunday Morning in Time in God's Word Bible Study.**

9:30-10:15 am – Room 207-209 Upper Floor of Education Building. Our current study is a "Drive Through the Gospels". In this class you will experience the story of Jesus from the locations recorded in the Gospels of Matthew, Mark, Luke and John. This is a continuation of the Bible Study Paul Berg started. The 9:30 time slot also allows you to participate in either of the Sunday Morning Worship services. Rooms 207-209 allow up to 24 people per session. Please join us!

**As frustrating and confusing the COVID-19** vaccine access is right now, the local clinic suggests that you log on to [Health Partners.com/vaccines](https://www.healthpartners.com/vaccines) to answer some questions. The quick information right now is that they are offering shots to those 75 and over by appointment. They will be contacting you when you are eligible and there is vaccine available. Be sure to respond to their call or e-mail. Next week there may be some availability through Thrifty White, Walmart, and Walgreen's Pharmacies. Watch for changes...Parish Health

**For those eligible** for Covid Vaccine please contact Shirley at 320-587-5064 if you need help making an online appointment at a pharmacy. Thank you.

**Remember: if your mask doesn't cover your nose you are not protecting yourself or anyone else.**

If your glasses steam up because you don't have a good fit, just place your mask behind your glasses. Guidelines still call for staying 6 feet apart whenever possible and most important is to wash your hands with soap and water frequently. Hand sanitizers are stationed around the church for immediate cleaning. This is an ongoing battle but we can do this together. Stay safe.... Thank you for wearing your masks.... Parish Health
