"Praise God from Whom all blessings flow!"

Dorcas - Women in Mission just learned that the LWML has reached their mission goal of \$2.1 million set for the 2019-2021 biennium. This means that, by God's grace, all the mission grants will be funded! These funds have come from the MITES given by Lutheran Women who have saved, earned, gathered, and given from their hearts to spread the Gospel and assist others who serve. Thank you for your gifts. Thank God for His continued grace.

*RoxAnn Lauer, Christian Life, Dorcas - Women in Mission

Next Sunday March 7th Dorcas: Women in Mission will honor the memory of their sisters who passed away in 2020, with a bouquet of red roses.

Join us each Sunday Morning in Time in God's Word Bible Study.

9:30-10:15 am – Room 207-209 Upper Floor of Education Building. Our current study is a "Drive Through the Gospels". In this class you will experience the story of Jesus from the locations recorded in the Gospels of Matthew, Mark, Luke and John. This is a continuation of the Bible Study Paul Berg started. The 9:30 time slot also allows you to participate in either of the Sunday Morning Worship services. Rooms 207-209 allow up to 24 people per session. Please join us!

As frustrating and confusing the COVID-19 vaccine access is right now, the local clinic suggests that you log on to [Health Partners.com/vaccines](https://www.healthpartners.com/vaccines) to answer some questions. The quick information right now is that they are offering shots to those 75 and over by appointment. They will be contacting you when you are eligible and there is vaccine available. Be sure to respond to their call or e-mail. Next week there may be some availability through Thrifty White, Walmart, and Walgreen's Pharmacies. Watch for changes...Parish Health

Note from Parish Health

If you are having trouble getting your Covid Vaccine and would like some help, please call Shirley at 587-5064.

Remember to continue to wear your mask, even double masking is encouraged to get a better seal. We still have limited number of reusable masks available for the asking or disposable or commercial ones are available at most stores, but they have to be worn properly. Remember if your nose isn't covered by your mask it isn't working. Social distancing and good and frequent handwashing with soap and water or hand sanitizers are still important to help stop the spread, Thank you.
