Thank you everyone for all your generous donations for the debt reduction and also the Congregational Fund for matching \$50,000 towards the debt. Each year approximately 90% of the earnings help support our ministry and projects at Peace Lutheran. The remaining 10% of earnings and growth are reinvested back into the fund as principal to help the fund grow and support the church for generations.

Since its inception in 1993, The Peace Lutheran Congregational Fund has been instrumental in financially assisting our Church in many ways including helping us fund the actual building of Prince of Peace and also procuring additional property for their campus, the purchase of Peace Place for our use and providing funds to assist us in constructing the Little Lambs building. Since 2014, they have provided us \$5,000 per month to be used towards the monthly debt payment, totaling \$745,000 to date; and since 2023 have also provided us \$390,000 in matching funds. Their assistance will allow us to realize our goal of retiring the debt at the end of this year.

If you are a Thrivent member you are eligible for two grants of \$250 each per year that can be used here at Peace for various events and ministries. We have used these for curriculum and supplies for Christian education (Sunday School, Release Time, Vacation Bible School, Confirmation) and to offset expenses for our fundraising events. If you would like to help the church with this, please contact Sue in the office to see what we currently need cards for. Thanks for your support.
